

FALLS CREEK

CROSS COUNTRY

Ski instructors needed for Falls Creek Cross Country

Falls Creek Cross Country is seeking instructors, for the 2021 ski season.

Full and part time positions are available, you would also be expected to help in our ski hire and retail departments as needed.

We have positions available for new and experienced instructors particularly instructors with experience in intermediate to advanced techniques in classic and skating.

Falls Creek Cross Country is a YMCA facility, consequently all staff will need police checks and a working with children permit.

Some shared accommodation is available for fulltime employees at the YMCA Howmans Gap Camp, 5 kilometres down the hill from the Falls Creek Resort.

This would be a great opportunity for someone wanting to ski a lot, work on their skiing and teaching skills and join a great team of passionate xc skiers. Of course, Falls Creek is the base for the Australian National Team, so you know the skiing and grooming is great.
