

Ski Instructor Job Description

Part-time Instructor position with the ISIA Training Programme 2019/2020 – Zermatt, Switzerland

Subzero Coaching is looking for Ski Instructors with a Level 2 (CSIA, BASI, APSI, NZSIA, IASI or equivalent) looking to work towards their ISIA. If you are looking to expand your horizons, here it is. We offer comprehensive training towards your next level but also provide the opportunity to **work for ski schools during peak weeks, either in Zermatt where we are based, or in other resorts in Europe.**

Qualifications required

Level 2 qualification

Language ability: fluent second language highly regarded.

At least a year of experience in Snowsport instruction

Up to date and current First Aid qualification

Who you are

You enjoy a people-facing role, skiing and making the difference to a client's holiday from good to unforgettable.

You value professionalism, courtesy, and punctuality.

You have a friendly, outgoing and positive attitude.

You are an excellent communicator and have strong time management and organisational skills

You enjoy working in a team

The role

Teaching skiing in a professional, fun and safe manner to clients of all backgrounds, and all ages

Enabling clients achieve their individual learning goals

Ensuring you assist all clients and guests around the village in a friendly, informative and courteous manner

Availability to work up to 7 days a week in the peak weeks, with occasional evening and weekend work

The training

Run by Subzero Coaching, we offer a complete [ISIA training programme](#), lasting 12 weeks throughout the winter season, from December to April. Going above and beyond training on snow, the course is run by a [team of coaches](#) with a broad experience in the areas of the ski teaching, coaching and business management. Together we have created a package that is different from anything else you find. Run in small groups, the course includes:

Over 200 hours of training

ISIA Tech and Teach-specific training including periodic video analysis sessions

Off-piste and mountain safety training with specialised coaches and guides

Second discipline training

Race training in a dedicated week with World Cup race coach & Freestyle sessions

Ski service demonstration

Professionally-run languages lessons

Fitness training sessions with a qualified Strength and Conditioning Coach

Lectures on Nutrition, Strength and Conditioning, Customer Care and Communication Techniques

Travel opportunities to other ski resorts.

For more information on this course visit our dedicated [web page](#).

Why ski with us

We offer:

Combined work and training opportunities all in the same winter

Support in converting into European qualifications (if required)

Active aid in building a network and insight into Europe's ski industry

Professional help in structuring your ski exam calendar and future work commitments

Pro-deals on equipment

Pre-season fitness training

After season assistance with CVs and references

Pastoral care; assistance in finding additional part time work and finding accommodation

If this sounds like the right role for you, we would love to hear from you.
