

Aspen Snowmass has four amazing mountains with a wide range of terrain to explore. The Ski & Snowboard Schools of Aspen Snowmass are a collection of talented and inspired Pros who are committed to helping clients build confidence, understand the terrain, and guide them to the next place in their skiing and riding. Our Pros know more than just teaching; they are willing to share knowledge of the resort and community that can help shape an unforgettable experience for our guests. Come join our team!

Summary

The Ski/Snowboard Instructor for Aspen Snowmass will teach alpine skiing or snowboarding to children and adults of all ability levels by focusing on the fundamentals of on-mountain safety and providing a safe and fun on-snow experience. Extensive training is provided for inexperienced to advanced candidates.

Essential Job Functions

- Work together with a team of instructors to organize classes and students according to individual student goals and abilities
- Teach and demonstrate skiing and snowboarding to classes in a safe environment using a variety of teaching techniques as well as skiing/snowboarding techniques
- Works with fellow employees and independently with group of students
- Must be able to teach a variety of lessons, including clinics for beginner and instruction for more advanced class participants
- Provides exceptional guest service while maintaining safety as a priority at all times

Qualifications

- Must be 18 years of age
- Experience working with children is required
- High School Diploma or equivalent preferred
- Experienced applicants must have PSIA Level 2 or higher, or foreign equivalent, and 2000 documented teaching hours.
- PSIA Level 1 or higher, or foreign equivalent preferred for inexperienced applicants.
- Ability to ski/snowboard, demonstrating maneuvers to students throughout the duration of a lesson for up to 6 hours per day
